GTC wins ACE Silver Award for Regis Main Hall Renovations - Ph. 1 & 2

before

after

GTC was pleased to accept the ACE Silver award from the American General Contractors of Colorado for Best Building Project under \$10 Million - General Contractor for Phases 1 and 2 of renovations the firm performed to Regis University's 140 year old Main Hall. The projects - part of an ongoing series of renovations to the oldest building on the college's campus - were designed by Bennett Wagner Grody Architects.
