FOR IMMEDIATE RELEASE:

GTC NAMES NEW LEADERSHIP

Firm names new President and rolls out Executive Committee

GTC recently named **Todd Schroeder** as President and announced its Executive Committee Leadership Team. Todd has been with GTC since 2008 and was previously named Vice President in 2012. He has 24 years of construction experience and has been managing GTC's largest strategic business unit, Education, which generates nearly a third of the firm's annual revenue.

"The announcement of Todd Schroeder as President and the Executive Committee Leadership transition has been a six-year process in anticipation of my retirement at the end of 2019," said **Brian Laartz**, former GTC President. "I am confident that this team will move GTC forward for the next 35 years." Brian will remain on the Board of Directors until the end of the year.

In addition to Brian and Todd, the Executive Committee is comprised of **Jeff Nading**, Chief Executive Officer; **Jamison Martin**, Vice President of Preconstruction Services; and **Joe Vasbinder**, whom the firm announced as Executive Vice President. Joe has been with GTC for 25 years, since he began as an intern while attending CSU. He has been a Vice President since 2008. Joe manages the firm's Metro Denver office.

The firm also announced **Lance Swanson** as Vice President. Lance has been with the firm since 2010 and manages GTC's Public projects strategic business unit. Lance will also assume the role of EEO officer.

And the final leadership shift comes with the announcement of **Nicole Wempe** as principal. Nicole has been with GTC since 2013 and has completed over \$225M of projects in her 22-year career, including working with some of GTC's largest clients.
