## GTC KICKS OFF 2020 WITH AN AMAZING JANUARY

GTC has had a great start to 2020. In January alone our firm was awarded four projects across a spectrum of genres:

The Pueblo West Civic Building is a 15,000 sf new administrative building for the Pueblo West Metropolitan District. This is a design-build project with **SEH**.

Centerra Industrial Building No. 6. This is another 123,000 sf tilt-wall structure in a series of buildings we've been fortunate to win in the Centerra Industrial Park. In recent years GTC has completed Centerra 1, 2, and 4; we are currently working on Building 5. The architect we've been working with for all of these buildings is **Ware Malcomb**.

This sitework-based project of Valley Country Club Tennis Courts involves ripping out the club's old courts and laying the groundwork for five new tennis courts plus three pickleball courts. Working with **Galloway & Company, Inc**.

D-BATS is a 25,236 sf athletic facility tenant finish in Centerra Industrial Building #5, which GTC is currently constructing with **Springhaus Architecture**. GTC is also completing a 62,579 sf athletic facility tenant finish in the same building for NorCo Volleyball with **Hauser Architects**.

## GTC's 1st ANNUAL GOLF TOURNAMENT

BENEFITING BUILDING WARRIORS

APRIL 30TH, 2020

11:00AM

TOPGOLF THORNTON

CLICK HERE TO  
REGISTER

GTC has partnered with Building Warriors, a non profit organization devoted to the provision of wellness services and training for emergency responders and their families for this exciting fund raising event. All proceeds will go to help first responders and their families that have been affected by traumatic experiences.

To learn more about Building Warriors, please go to <https://www.buildingwarriors.org/>.

## GTC CHAMPIONS CAREERS IN CONSTRUCTION WITH NEW OUTREACH POSITION

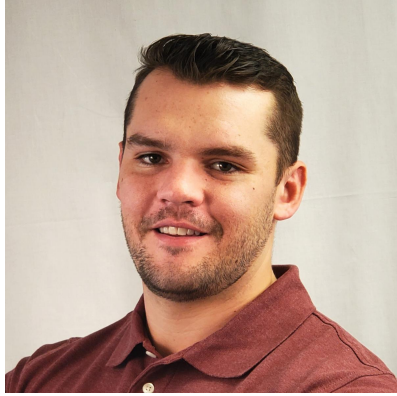

With the threat of the construction industry's imminent labor shortage, GTC decided it could do more, so the firm's leadership created a specific Outreach Program. But in the first six months of its existence, the new program has exceeded everyone's wildest expectations.
