Builder's Risk

The Owner or Golden Triangle Construction of Southern Colorado will provide completed value Builders Risk insurance for the designated project. The policy will include as insured's all tiers of subcontractors as their interest may appear subject to policy terms and conditions and subject to a deductible. If any covered cause of loss is attributed to "Acts of God", the Owner or Golden Triangle Construction of Southern Colorado will be responsible for payment of the deductible. If the loss is attributed to the negligence of a subcontractor or anyone for whom the subcontractor is responsible, the deductible will be paid by that subcontractor. It is the responsibility of each subcontractor to determine the amount of the deductible and it is acknowledged by the signing of the contract for construction that each subcontractor is familiar with the amount of said deductible.

Rating: Policies evidencing coverage must be from carriers with an A.M. Best rating of A- VII or better.

Minimum Limits of Liability required of the Subcontractor are understood as minimums only and we are not relieving the Subcontractor of cost in excess of those minimums. Each Subcontractor must determine the necessary coverage's and limits to protect themselves in the event of a claim.

Any deviation from the insurance requirements in Section VIII must be agreed upon by GTC of Southern Colorado prior to the commencement of work.
